

[African Institute for Mathematical Sciences \(AIMS\) Ghana](#) is now accepting applications for the [AIMS Quantum Hackathon \(Quantathon\)](#), scheduled for July 8-11, 2025. This event is in celebration of the [International Year of Quantum Science and Technology \(IYQ\)](#).

The AIMS Quantathon is to create opportunities for young Africans to participate in quantum education and contribute to the development of Quantum Computing (QC) applications for achieving the Sustainable development goals (SDGs). Based on the “[Hackathon in a Box](#)” toolkit which is curated by the [Open Quantum Institute \(OQI\)](#) Education Consortium, this premier event seeks to bring together the brightest students from different parts of Africa and quantum technology experts from across the globe to use advanced AI and quantum science and technology for reaching the SDGs.

The Quantathon is part of the [AIMS Quantum Technology Education \(QTedu\) 2025](#) events for the celebration of the International Year of Quantum Science and Technology. Other activities for the AIMS QTedu include

- [Quantum Education Workshop](#)
- [Public Lecture](#)

Quantathon Prizes

Mentorship and internship opportunities in Quantum Technology industries and research labs are available for students who participate in the Quantathon.

Quantathon Application Deadline: April 7, 2025
